Northhome Comfort Windows

B.&D. S., Star City Windows installed October 11, 2011

“The one reason we purchased Northhome windows was convenience. You measure – You Build – You Deliver – You Install. Good crew. Accessible, informative, quick & very clean.”

Comments one year later: “The best thing about our new windows is the overall improvement in the appearance of our home, both insdie & out. The quality of the windows and installation was first class. They are just Fantastic windows. Looks, seals, comfort, operation ... all A1.”
