Northome Comfort Windows

R.O., Yorkton Windows installed May 13, 2016

“One reason I purchased windows from Northome was their promptness in replying to my request for information. The sales rep was pleasant and thorough. The installation crew arrived early, set up quickly, were efficient, courteous and did a good job of clean up after. The windows look good inside and outside. I like the opening system on the bedroom window & I am enjoying being able to sit in my favorite spot & look out the lowered living room window.”
