B.& A. I., Kelvington Windows installed August 10, 2001

"The best thing about our windows is they are well sealed units that do not fog up, the wind doesn't come through. They are easy to clean."

Comments 15 years later: *"The best thing about our Northome windows is that they are easy to clean, they never fog up or leak air, they are tight fitting & are still excellent. Our windows were good value for the money invested."*
