**Northhome Comfort Windows**

## A.J., Porcupine Plain Windows installed May 17, 2010

"The reason we purchased from Northhome Comfort Windows because it is a Saskatchewan made product and for the energy savings. The best thing is the nice clear view! We also have noticed we don't hear outside noises anymore. The sales agent was very informative."

Comments Five Years Later: "What I like most about my windows is that they are easy opening, clean easlily and are simply beautiful. I am a very satisfied customer."
