Northhome Comfort Windows

B.&E. D., Raymore Windows installed September 21, 2010

“We bought your windows because of your excellent reputation throughout our community. Not one negative remark! The best thing is the clear view, no wooden frames and the privacy. It was nice to not have to worry about taking down and putting up the expensive blinds – they did it for us!”

Comments one year later: “Sales efficient and knowledgable. Installation extremely professional and well done. People driving past were impressed how quickly the old windows were removed and the new ones went in. I asked a working colleague if she knew where I lived. She said yes, the yellow house with the awesome windows!”
