Northome Comfort Windows

A.W. & M.L., Regina Windows installed November 2013

“We are firm believers in supporting our local economy. The best thing about my new Northome windows is the appearance. They are warm & I like that they are maintenance free. When I spoke with the sales agents, I was offered a thorough explanation of the manufacturing, materials used & the benefits. Northome’s staff was very courteous & pleasant on the phone & strived to satisfy. Written communications are in-depth & helpful in preparing prior to installation & the after-installation follow up is very informative. We feel the crew did an impeccable job in the installation of our windows relative to the cleanup, working as a team, & being friendly.”
