Northhome Comfort Windows

A.A., Calder Windows installed October 29, 2013

Comments one year later: *"The best thing about my new windows is that they are easy to look after. There is no wind coming in & they don't frost up. The sales interview was very good. The installation was done well. You did a good job."*

Comments After Service call on June 23, 2015: *"Your staff is friendly and nice to have them work for me. The job was performed well and the results are good. Windows are great!"*
