Northhome Comfort Windows

B.&M. C., Canora Windows installed December 9, 2005

Comments Five Years later: "Getting these windows was a good investment. What we like most is that the windows keep the house warmer in winter and cooler and quieter in the summer. We are satisfied customers."

Comments 10 Years later: *"What gives us the most satisfaction is no hassles over service or warranty. The windows were a good investment and keep the house warmer in winter and cooler in summer."*
