Northhome Comfort Windows

B.&J. B., Humboldt Windows installed June 16, 2006

"The reason we purchased from NCW is we heard they had a good product and did good work. The installation crew was very upbeat, quick work and cleaned up the job site well! The best thing about our new windows is we have a better view with the same size window (no frame in the center).

Comments 5 years later: What gives the most satisfaction is they are "easy opening. Well worth the money spent."
