**Northhome Comfort Windows**

## B. S., Humboldt Windows installed October 10, 2001

"Due to very good construction of the Northhome windows, I think it is the best value for your dollar. The men were in and out of the house with no disturbance and no mess to clean up. We think it was money well spent and would recommend this to others."

Comments 15 years later: "The best thing about our windows is that they don't freeze up. We are happy with the service and the product."
