B. R. & T. F., Melfort Windows installed May 28, 2009

“We are very happy with the windows. The installation crew were very thorough-clean up was well done.”

Comments One Year Later: “The best thing about my new windows is the house temperature winter and summer. No frost on the windows in the winter, cooler in the summer and wonderful crank and locking system. We are pleased with the investment and quality of the windows.”
