Northhome Comfort Windows

B.&E. W., Melfort Windows installed September 17, 2014

“This is the second time we’ve had Northhome Comfort Windows – they are of superior quality. The sales agent was straight forward with info, estimate & very pleasant to do business with. The office staff is the best!! The installation was great – men re friendly & courteous, did a good job & cleanup after as before everything runs so smooth. It was a very positive experience & will definitely recommend to others. Really appreciate how you keep in touch from time of ordering to completion.”
