Northhome Comfort Windows

T.&L. L., Mozart Windows installed August 16, 2010

“We purchased the windows because of the superiority of product. The sales agent was very informative, patient and eager to answer any questions. The office staff was excellent with working around our schedule. The installation crew was well organized, they knew what they were doing and were professional.”

Comments one year later: “The best thing about the windows are the energy efficiency and the major dust reduction. I have recommended the windows to everyone to everyone I know.”
