Northhome Comfort Windows

W.&S. B., Nokomis Windows installed August 31, 2004

"Saves on heating bills. We definitely have less heat loss during winter months. Good to know the company contacts us to find out if we are pleased with our purchase. Installation was thorough, friendly, neat, and very accommodating."

Comments 5 years later: "What give us the most satisfaction is that there is no upkeep. The windows are efficient in both heat and cold. It was a good investment."
