Northhome Comfort Windows

A.&M. G., Yorkton Windows installed October 6, 2011

“Our Northhome Comfort Windows have added a smart, new look to our home. Informative phone calls were warm and cheerful and all written communication was easy to understand. Great installation crew! Friendly greeting, organized and efficient, careful with furniture, blinds, curtains, lots of dust covers, all windows installed by mid-afternoon – all sparkling clean, excellent clean-up indoors and out. Thanks for a job well done!”

Comments one year later: “The sales interview was warm, friendly and informed us about window quality, cost & installation. An excellent crew arrived, worked like beavers and finished the whole job in one day including meticulous clean-up. Window performance is very good – no fogging or freezing, also quite sound-proof. We got top-quality windows that were installed by an expert team.”

Comments Five Years later: "Our Northhome windows were a great investment in quality and added appearance to our home. If we had to do it over again, we would invite that same crew to come and do a re-run of the excellent job they did that October day in 2011."
