Northhome Comfort Windows

B. W., Young Windows installed June 30, 2009

"The best thing about our new windows is that they are very nice looking and so easy to open and close. What helped make the decision easy to go with Northhome was that we knew that when we ordered from you, you would also install them. On installation day the crew was so very friendly and just the very neatest. Wow! You can be very proud of your workers. We are so very happy with our windows and you can be very proud of the business you have established."

Comments 1 year later: "We are very satisfied. It was well worth it & you get what you pay for."

Comments 5 years later: "The windows open & close so nicely & they are just beautiful. I just love them. It was a good investment."
